ENTRY FEES

Entry fee is \$45 for a single or team entry each test. Entries are limited to 15 Single or Team entries in DD/TDD/DDX/TDDX each day. Post entries will not be allowed for this test.

ENTRY INFORMATION

Entries will only be accepted from NCA members postmarked February 22, 2022 or later; entries will only be accepted from non-NCA members postmarked March 4, 2022 or later. Entries will be accepted by mail or through the online entry service. The slots available will be filled in the following manner. If the number of entries with the same date exceeds the number of available slots, a drawing will take place to fill the vacancies and determine the alternates for each test. All entries received after the entry limit is filled will be placed on an alternate list by order of those without titles in order of postmark, followed by equalifiers in order of postmark. If absentees or withdrawals occur prior to the start of the test, the test secretary will substitute entries from the alternate list. On March 23, 2022 all entries that have been received by that time with a February 22, 2022 postmark will be assigned to the available slots in each test. If the number of entries with February 22, 2022 postmark exceeds available space, a drawing will take place to determine who gets spaces and who is placed on the alternate list. If the number of entries with February 22, 2022 does not exceed the entry limits, the entries with February 23, 2022 postmark will be assigned to the available spots. If the number of entries with February 23, 2022 postmark exceeds the entry limits a drawing will be held to fill the remaining vacancies and determine the alternates. The process will continue until the test is filled. All additional entries received after the entries fill will be placed on an alternate list by order of postmarks. If an opening should occur after entries fill a drawing will take place from the entries with the earliest postmark to fill the vacancy and an alternate will be notified. All entrants will be sent notification of their position in the test by March 24, 2022. Entered dogs must be 18 months of age.

DOGS IN DESIGNATED TEST AREAS

Unentered dogs, and those that are not being tested at the time are not permitted in the official Draft Test areas. As specified in the Draft Test Regulations, handlers and dogs (except bitches in season) are allowed a 30 minute period to familiarize themselves with the test areas. They may not walk the Maneuvering or Distance Freight Haul courses after this period.

Bitches in Season

Bitches in season or with ovarian sparing spay will be allowed to compete after all other entries. They must be crated away from the other entries in an area designated by the test committee. Their handlers should notify a member of the test committee upon arrival, or earlier, if possible.
