Entries

Entries will only be accepted from NCA members postmarked July 7, 2023 or later; entries will only be accepted from non-NCA members postmarked July 17, 2023 or later. Entries will be accepted by mail or the online entry service (<https://www.ncanews.org/wdc/>). Entries from NCA members postmarked prior to July 7, 2023 will be returned; entries from non-NCA members postmarked prior to July 17, 2023 will be returned. Available entry slots will be filled according to the postmark date.

If the number of entries with the same date exceeds the number of available slots, a drawing will take place to fill the vacancies and determine the alternates. All entries received after the entry limit has been reached will be placed on an "alternate list" by order of those without titles, in order of postmark, followed by requalifiers in order of postmark. If absentees or withdrawals occur prior to the start of the test, the test secretary will substitute entries from the alternate list. When

notifying exhibitors of their entry numbers, exhibitors on the alternate list will be notified of their position on the list.

Entrants who learn they will be unable to attend a water test must contact the test secretary immediately so exhibitors on the alternate list may be notified. Entry fee will be refunded if withdrawal of an entry is done prior to the closing date of the water test. Entry fee will be refunded for those on the alternate list who do not make it into the test. Entry fees will not be refunded for a dog on the alternate list who would have made it into the test had the dog been in attendance as per the Water Test Regulations, Chapter I, Section 12: Entry Limitation – “Alternates and Refunds.” Dogs qualifying in the junior division may post enter to Senior on the day of the test for an additional \$25 entry fee.

The entry fee is \$45. Entries close on August 1, 2023 at 11:59 PM.

PLEASE PRINT LEGIBLY!

With your entries, please include a current copy of the dog’s AKC registration papers and make checks out to “RKNC.”

Do not mail any entries “signature required” – please waive all signature requirements or your entry will not be accepted.

Please Note:

In 1990, the Working Dog Committee approved the eligibility of dogs holding WRD titles to enter the junior division at any NCA approved water test. Entry is available on a space available basis so as not to exclude any untitled junior dog. WRD titled dogs that pass the junior division may not post enter into the senior division on that day. Dogs passing the WRD test may not post enter into the WRDX division.

Requalifications as Multiple Division Entries

Multiple Division requalifications will be allowed at NCA Water Tests. Dogs may be entered in more than one division on the same day but only if they have already qualified, at previous tests, in all of the divisions entered. Each entry must be sent on a separate entry form. If the entry for the test exceeds its limit and a lottery is necessary, the dog may not get into each division entered. There will be no substitutions for dogs to change divisions if their entry is chosen for one division but not the other in a lottery. Judges must excuse any dog not in condition to finish the division entered and, if so, the dog will not be able to continue in any other division entered that day. Entry fees will not be refunded for dogs that are excused. Entrants are discouraged from pushing their dogs beyond their limits.

Entrants are responsible for obtaining and being familiar with the current NCA Water Test Regulations. Regulations may be obtained online at:
<https://www.ncadogs.org/forms.php>

Bitches in season will be tested after all other entrants have been tested. Bitches in season entered in the WRDX test will be tested after **ALL** other bitches in season have been tested. Waiver of Rights – Animals in Distress

The Newfoundland Club of America, Inc, and the regional club hosting this event reserves the right to remove any animal in distress from a parked vehicle or crate, and all persons attending this dog event hereby waives any claim for damages against the Club for such removal. The NCA regards the health, safety and life of any dog on the event grounds to be paramount to other property or privacy rights. If the owner cannot be found in a timely manner, we will take whatever action is necessary for the safety of the dog, which may include breaking windows to enter a vehicle. Test Site

Lake Lou Yaeger is a public lake located just east of Litchfield, Illinois. We have been given special permission again this year to use the volunteer fire department's beach area and air-conditioned pavilion. It has a nice sand beach off the main body of the lake in a "no wake" zone. There are many shade trees at the site and places to sit in lawn chairs or on a blanket to watch.

The water is mildly murky and can be cloudy to muddy after a rain. The shoreline slopes gradually with dogs swimming within twenty feet after entering the water.

Directions to the Site

Lake Lou Yaeger is located off Route 16 east of Litchfield, IL. Take interstate 55 to Litchfield exit #52. Take Route 16 east through Litchfield. On the east side of town,

turn left at the Lake Lou Yaeger sign (there is a cemetery to your right). Watch for Newf signs. We will be at the Fireman's Park. Park signs will direct you to the site.
